If you're driving your car to the Nats, let's see how economical that old motor is!

Print a copy of this page out (or make one similar for yourself, or keep a record on your phone, or just write the mileage on your receipts and save them). Include your entrant number and other details at the top, and circle your engine type - grey, red, or other.

If you've printed this, please hand the form in at Registration, or you can get a copy at Registration to transfer your records onto.
